New Friends of the Library Group!

We're thrilled to announce that you can now join the brand new Friends of the Wiggin Memorial Library! We know how much you love your library, and here's your chance to be a real part of it.

The Friends of the WML are people who know that any community is a better place to live if it has a first-rate library which serves its needs and interests and who want to have an active role in helping and promoting their library.

To join . . . just fill out the short registration form below, choose your membership level, and return the form and your annual dues to the library. Memberships run from March-February. We're looking forward to counting you among our Friends!
